Dear Graduating Seniors:

CONGRATULATIONS to the Class of 2007! I am sure that your senior year at MSSD has been both a memorable and educational experience for each of you. Being a senior presents many challenges and decisions that have to be made about the next phase of your life. As you move forward to your next goal, I hope this yearbook will hold memories for you of all the wonderful experiences and opportunities you have had during your time here at MSSD.

As you begin the next phase of your life's journey, think about your senior motto: "Unleash the Pink in You." While "pink" represents your class color, it also symbolizes your potential. MSSD has provided you with the foundation you need to expand and develop all your talents, to have a better understanding of yourself and who you can become on your life's travels.

This is my challenge to the class of 2007 – plan your next steps, prepare for the future and unleash your potential! Remember as author Ben Sweetland said, "Success is a journey, not a destination." While you travel on your new journey, use the potential you have to create new dreams, to accumulate the successes you will collect along the way, and to aspire to be the best you can be.

I wish you all the best in all that you choose to pursue. As MSSD eagles, soar, soar, soar as high as you can, and when you get there, soar even higher to the next journey!

Sincerely,

Katherine A. Jankowski, Ph.D.
Dean

OUR ORIGINAL EAGLES SONG!

Hail to our MIGHTY Eagles'
spirit and hail to our MSSD colors
What?

RED, **WHITE**, and **BLUE**!

Our enemies look down on us,
wrong! Because we
TACKLE, **TACKLE**
stomp, **stomp**, and **DEFEAT**!

Hail, it doesn't matter how we are:
FAT-thin, *ugly-pretty*, fast-slow,
smart-*goofy*, socialized-isolated
but of course we
cooperate, cooperate, cooperate!

Hail to our MIGHTY Eagles'
spirit and hail to our MSSD colors
RED, **WHITE**, and **BLUE**!

Challenge, challenge!
Our world- north, south, east, and
west
Fight, fight and pull
our team through!
Still, we get frustrated, frustrated,
and lost
Our dream of victory and winning
the championship is gone?

Wait, wait, wait!
Our Eagles are willing to be stubborn
and fight from sunrise to sunset!

We play! Refs blow the whistle! We
hear! No! We're Deaf, Deaf, **DEAF**!

Hey, hey!
We hail to our MSSD Eagles'
spirit and hail to our MSSD colors
What? Of course, of course!

RED, **WHITE**, and **BLUE**!

EXPLORING... THE BEAUTY OF MSSD

Walking onto MSSD's campus, you discover a world comforting to the students. It's our home away from home.

We've got vast fields where we can escape from reality, lay down and appreciate nature.

The complexity of MSSD's design is one of the things that make this school so unique.

The cafeteria, with its many multicolored flags, is where conversations flow.

The Eagle Zone is a recreational center where students can socialize, play ping-pong, watch TV and sit in the booths chatting the night away with friends. It is indeed a comfort zone!

THE BEAUTY OF MSSD...

Come fall, you see the leaves of orange, yellow, brown, and red.
Come winter, the trees are bare.
Come spring, they are back in bloom, only to make this place more beautiful.

No ordinary bench, this one overlooks Kendall Green.

When the weather is nice, you will see us sitting outside on the grass.

This path leads us from our school dormitories. It allows us to walk amongst friends and also to get a taste of the day's weather.

One of many hidden areas on our campus, this nook is a place where we can escape, where our thoughts can wander free and secrets overflow.

This little hill overlooks several places: RHE, RHB, and the Eagle Zone. We sometimes gather there before going to the cafeteria.

INTERNATIONAL AWARENESS WEEK

During International Awareness Week, students had the opportunity to learn about other cultures. Students got to sample international food, see clothing worn by people in other countries, and see a panel discussion about the traditions of the world. ACADEMIC BOWL

This year, 2007, was one of the strongest showings for the MSSD Academic Bowl team, capturing third place for the first time since 2003. Led by captain Alicia Balzer, serving her fourth season on the team, the MSSD team went 7-1 in pool play, losing only to the Virginia School for the Deaf and the Blind by four points in a heartbreaker. Aside from that loss, we breezed through the

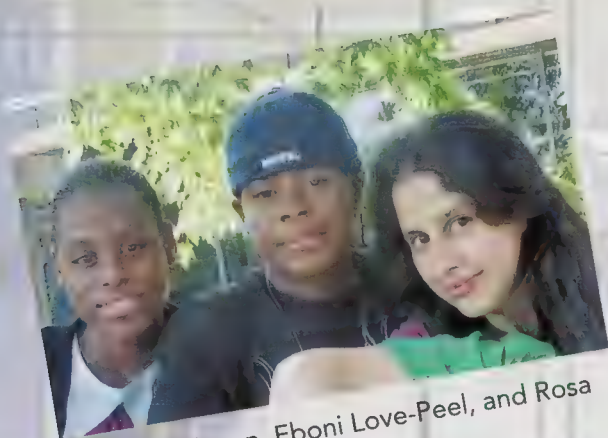

tournament, winning by an average margin of 16 points. Our second loss of the tournament came at the hands of our rival school, the Maryland School for the Deaf (MSD), in the semifinals. Balzer, along with seniors Kate Glatfelter and James Flakes and junior Ando Ferguson, could not get started and trailed behind MSD throughout the semifinal match. The MSSD team rebounded in the third

place match, defeating Woodson High School by 10 points to capture the third place trophy. Ando Ferguson was voted the Most Outstanding Player in our pool. Next year's team loses all three seniors but will rebound nicely with the return of Ferguson and a crop of new players in the wings. The team this year was led by coaches Chris Kaftan and Jason Stewart.
